

**Graduate Student Outreach Group
Division of Biological Sciences, UCSD**

San Diego Community Fairs and Events

- America on Main Street (El Cajon) – “Out of this World” – May 2019
- Barrio Logan Science and Art Expo – The Immune System – March 2019
- Petco Park EXPO Day – The Immune System – March 2019
- Fleet Science Center: Genius in the House! – October 2018
- Petco Park EXPO Day – Illuminating Science - March 2018
- STEAM Maker Fair (Del Mar Racetrack) – Microbes – Dec 2017
- Petco Park EXPO Day – Microbes Around Us – March 2017
- IShine Student Center 2nd Annual STEM Fair - Microbes – March 2017

School Outreach

- E3 Civic High Lecture Series – Spring 2019
- Girls in STEAM Workshop Series (The Preuss School, UCSD) – Fall 2018
- Young Chefs: From Cooking to Science After School Club (Linda Vista Elementary) – February 2018

Science Class – BioEASI Jail Outreach Program

- East Mesa Detention and Reentry Facility (EMRF)
 - Science Through History (en Español) – Winter 2020
 - Marine Sciences – Fall 2019
 - Science of Construction – Summer 2019
 - Science of cooking – Spring 2019
 - DNA – Winter 2019
- Las Colinas Detention and Reentry Facility (LCDRF)
 - Organ Physiology from Cells to Behavior – Winter 2020

La Jolla Library Workshops

- Are we what we eat? - November 23, 2019
- You vs. The World: Your Immune System - May 18, 2019
- SuperModel Organisms II - November 17, 2018
- Without Ice Cream, there would be Chaos (Phase Changes) - September 29, 2018
- What Makes Us the Same: Homology and Analogy - October 27, 2018
- Lighting up our Lives – Green Fluorescent Protein - April 7, 2018
- DNA: Cracking the Code of Life - November 4, 2017
- SuperModel Organisms - June 3, 2017
- Microscopy Workshop - February 8, 2016
- Brain Workshop - September 19, 2016

Graduate Student Community Events

- Paint Your Research – (2 – 3x per year, 2017 through 2019)
