* **BIO LAB**: This sample plan assumes student opts to take two 4-unit upper-division Biology labs.

---

**Major Requirements**: For more specific information about major requirements, please see Neurobiology.

**Upper-Division Unit Requirement**: Students are required to complete at least **48 or more units of upper-division course work** within the major.

**Study Abroad**: Courses taken abroad are not guaranteed to be applicable towards major requirements. Please visit Study Abroad in Biology for more information.

**Resources**: To assist with course planning, please refer to Tentative Biology Course Offerings and Biology Course Prerequisites.

---

**Notes**

Four year plans are subject to change.

Your plan may vary based on UC San Diego admit year, course availability, and transfer/AP credit.

For assistance with a personalized long term plan, please contact a Biology Staff Advisor.
