\* **UD Bio Lab:** This sample plan assumes student opts to take two 4-unit upper-division Biology labs.

**Major Requirements:** For more specific information about major requirements, please see [General Biology](#).

**Upper-Division Unit Requirement:** Students are required to complete at least [48 or more units of upper-division course work](#) within the major.

**Study Abroad:** Courses taken abroad are not guaranteed to be applicable towards major requirements. Please visit [Study Abroad in Biology](#) for more information.

**Resources:** To assist with course planning, please refer to [Tentative Biology Course Offerings](#) and [Biology Course Prerequisites](#).

**Notes**

Four year plans are subject to change.

Your plan may vary based on UC San Diego admit year, course availability, and transfer/AP credit.

For assistance with a personalized long term plan, please contact a [Biology Staff Advisor](#).
