**Notes**

- **MATH 11**: MATH 11 is required for freshman admitted to UC San Diego FA16 and later and for transfer students admitted to UC San Diego FA18 and later. Transfer students admitted to UC San Diego prior to FA18 may use either MATH 10C, 20C, or 11 to satisfy the math sequence.

- **UD BIO LAB**: This sample plan assumes student opts to take two 4-unit upper-division Biology labs.

**Major Requirements**: For more specific information about major requirements, please see General Biology.

**Upper-Division Unit Requirement**: Students are required to complete at least 48 or more units of upper-division course work within the major.

**Study Abroad**: Courses taken abroad are not guaranteed to be applicable towards major requirements. Please visit Study Abroad in Biology for more information.

**Resources**: To assist with course planning, please refer to Tentative Biology Course Offerings and Biology Course Prerequisites.
