Molecular Biology (BI33)

College: _____

Name: _____

PID: _____

All courses (except BISP 195, 196, 197, and 199) to be applied toward the major, including prerequisites, must be taken for a letter grade. Courses may count only once toward major requirements.

LOWER DIVISION REQUIREMENTS

Biology

BILD 1 _____
and
 BILD 2 _____
or
 BILD 3 _____

Math

20A _____
 20B _____
 20C _____

Molecular Biology majors must take the 20 series of Math.

Physics

1A _____ and 1AL _____
 1B _____ and 1BL _____
 1C _____ and 1CL _____

OR

2A _____
 2B _____ and lab _____
 2C _____ (2BL/2CL/2DL)

Chemistry

6A _____
 6B _____
 6C _____
 6BL _____

UPPER DIVISION REQUIREMENTS

1. Chem 140A/141A _____
2. Chem 140B/141B _____
3. Chem 143A _____ or Chem 105A _____
4. BIBC 100 _____
5. BIBC 102 _____
6. BIBC 103 _____
7. BICD 100 _____
8. BICD 110 _____
9. BIMM 100 _____
10. BIMM 101 _____
11. BIMM 112 _____
12. BIMM 122 _____
13. At least four other upper-division courses (at least four units each) offered by the UCSD Division of Biological Sciences. Only one quarter of BISP 195 and one quarter of either BISP 196, 197, or 199 may be applied toward this requirement. Attention is drawn to BICD 140, BIMM 110, and BIMM 114.

Residency Requirement: Students must satisfactorily complete at least nine of the required upper-division courses (at least four units each), for the major, taken through the UCSD Division of Biological Sciences, while officially enrolled at UCSD, to satisfy the divisional residency requirement.

Note: Refer to current UCSD General Catalog for official degree requirements. Courses to be completed outside of the UCSD Division of Biological Sciences, including transfer courses, must be PETITIONED prior to enrollment to satisfy any requirement.

Major G.P.A. _____ *must be at least 2.0 to graduate* By/Date: _____

Effective Fall 2003, entering students must complete a Biology lab prior to the end of the sophomore year. Transfer students may petition to have community college coursework cover the lab requirement.
