## What Inclusive Instructors Do

### **Dr. Tracie Addy**

Associate Dean of Teaching & Learning  
Center for the Integration of Teaching, Learning and Scholarship  
Lafayette College

**Friday, March 10<sup>th</sup>, 2023, 10:00 – 11:00 AM**

**Remote seminar**

**Zoom link: <https://ucsd.zoom.us/j/95750805365>**

A 30 min extended Q&A discussion with Dr. Addy will take place immediately following the talk

**Abstract:**

Why is inclusive teaching effective teaching? During this seminar we will discuss research on the importance of equity and belonging in higher education and focus on the voices of instructors who implement inclusive teaching approaches, as well as our learners who benefit from such instruction. Together we will reflect on the significance of inclusive teaching in STEM fields and why it should be a priority.
