

# UCSD BIOSCHOLARS

UCSD's only undergraduate honor society for the biological sciences

## WHAT WE DO

We host quarterly and annual events to propel students forward, and create a warm, inclusive community of curiosity-driven students.

- *BioTechathon*
- *STEM Outreach*
- *Seminar Planning Committee*
- *Phage Genomics Research Initiative*
- *Freshman Honors Seminar*

Through our exclusive events with faculty, workshops, and annual programs, we'll help you grow your passion for the biological sciences.

## MEMBERSHIP

Membership is by application only. Freshmen are invited to apply the summer preceding the start of their freshmen year. All other applicants are considered at the end of fall quarter.
