

# EXPLORING CAREERS IN LIFE SCIENCE INDUSTRIES

10:00AM - 3:00PM | SATURDAY, JANUARY 20, 2018  
PRICE CENTER WEST BALLROOM

The 2017-2018 Life Sciences Career Series for undergraduate Biology Majors begins with this one-day symposium featuring career presentations and a networking lunch with alumni. Professionals from local biotech companies, like Illumina and Tioga Research Inc., will discuss career paths in industry.
