

## Fall 2021 Lab Fee FAQ's

**Lab fees for all lab courses in Fall 2021 will be charged upon enrollment. At the beginning of the quarter, Registrar will begin to reverse the charges for lab courses that were determined to not have an associated lab fee (see below).**

**Q: Which lab courses have associated fees for Fall 2021?**

**A:** The following lab courses will be taught in-person and have fees for Fall 2021:

- BILD 4 (\$40 fee)
- BILD 70 (\$75 fee)
- BIBC 103 (\$75 fee)
- BIEB 121 (\$50 fee)
- BIMM 101 (\$80 fee)
- BIMM 121 (\$90 fee)
- BIPN 145 (\$50 fee)

**Q: Which lab course(s) do not have associated fees for Fall 2021?**

**A:** The following lab courses do not have fees for Fall 2021:

- BIPN 105: *The lab fees for this course will be charged upon enrollment. At the beginning of the quarter, the fees will be reversed by the Registrar's office.*
- BIMM 143

**Q: What do the lab fees cover?**

**A:** Lab fees will cover materials that the students will utilize for the experiments performed in class.

**Q: Will students in lab classes be sent kits to perform experiments remotely?**

**A:** No, experiments will be performed in the biology instructional labs in York and Tata Halls.

**Q: Who should I contact with additional questions about lab fees?**

**A:** Students may submit a VAC message ([vac.ucsd.edu](mailto:vac.ucsd.edu)) for additional questions related to lab fees.
