

Winter 2022 Lab Fee FAQ's

Lab fees for all lab courses in Winter 2022 will be charged upon enrollment. At the beginning of the quarter, Registrar will begin to reverse the charges for lab courses that were determined to not have an associated lab fee (see below).

Q: Which lab courses have associated fees for Winter 2022?

A: The following lab courses will be taught in-person and have fees for Winter 2022:

- BILD 4 (\$40 fee)
- BIBC 103 (\$75 fee)
- BIEB 123 (\$100 fee)
- BIMM 101 (\$80 fee)
- BIMM 121 sections A01 to A02 and B01 to B02 (\$90 fee)
- BIPN 105 (\$120 fee)
- BIPN 145 (\$50 fee)

Q: Which lab course(s) do not have associated fees for Winter 2022?

A: The following lab courses do not have fees for Winter 2022:

- BIMM 121 sections C01 to C04 only (remote offering): *The lab fees for this course will be charged upon enrollment. At the beginning of the quarter, the fees will be reversed by the Registrar's office.*
- BIMM 143

Q: What do the lab fees cover?

A: Lab fees will cover materials that the students will utilize for the experiments performed in class.

Q: Who should I contact with additional questions about lab fees?

A: Students may submit a VAC message (vac.ucsd.edu) for additional questions related to lab fees.
