***BILD 4** is required for freshmen admitted to UC San Diego FA15 and later and for transfer students admitted to UC San Diego FA17 and later.

** **CSE 8A & 8B**: Students may opt to take CSE 11 in place of CSE 8A and CSE 8B.

*** These courses may have additional prerequisites and/or corequisites that are not required for the major. Please contact the respective departments to inquire about prerequisite and/or corequisite enforcement.

Major Requirements: For more specific information about major requirements, please see [Bioinformatics](#).

Upper-Division Unit Requirement: Students are required to complete at least [48 or more units of upper-division course work](#) within the major.

Study Abroad: Courses taken abroad are not guaranteed to be applicable towards major requirements. Please visit [Study Abroad in Biology](#) for more information.

Resources: To assist with course planning, please refer to [Tentative Biology Course Offerings](#) and [Biology Course Prerequisites](#).

Notes

Four year plans are subject to change.

Your plan may vary based on UC San Diego admit year, course availability, and transfer/AP credit.

For assistance with a personalized long term plan, please contact a [Biology Staff Advisor](#).
