***BILD 4** is required for freshmen admitted to UC San Diego FA15 and later and for transfer students admitted to UC San Diego FA17 and later.

** **MATH 11:** MATH 11 is required for freshman admitted to UC San Diego FA16 and later and for transfer students admitted to UC San Diego FA18 and later. Transfer students admitted to UC San Diego prior to FA18 may use either MATH 10C, 20C, or 11 to satisfy the math sequence.

*** **UD BIO LAB:** This sample plan assumes student opts to take two 4-unit upper-division Biology labs.

Major Requirements: For more specific information about major requirements, please see [General Biology](#).

Upper-Division Unit Requirement: Students are required to complete at least [48 or more units of upper-division course work](#) within the major.

Study Abroad: Courses taken abroad are not guaranteed to be applicable towards major requirements. Please visit [Study Abroad in Biology](#) for more information.

Resources: To assist with course planning, please refer to [Tentative Biology Course Offerings](#) and [Biology Course Prerequisites](#).

Notes

Four year plans are subject to change.

Your plan may vary based on UC San Diego admit year, course availability, and transfer/AP credit.

For assistance with a personalized long term plan, please contact a [Biology Staff Advisor](#).
