* **CSE 8A & 8B:** Students may opt to take CSE 11 in place of CSE 8A and CSE 8B.

** **CSE 12, CSE 21, CSE 100, and PHYS 2C:** These courses may have additional prerequisites and/or corequisites that are not required for the major. Please contact the respective departments to inquire about prerequisite and/or corequisite enforcement.

Major Requirements: For more specific information about major requirements, please see [Biology major requirements](#).

Upper-Division Unit Requirement: Students are required to complete at least *48 or more units of upper-division course work* within the major.

Study Abroad: Courses taken abroad are not guaranteed to be applicable towards major requirements. Please visit [Study Abroad in Biology](#) for more information.

Resources: To assist with course planning, please refer to [Tentative Biology Course Offerings](#) and [Biology Course Prerequisites](#).

Notes

*Four year plans are subject to change.
Your plan may vary based on UC San Diego admit year, course availability, and transfer/AP credit.
For assistance with a personalized long term plan, please contact a [Biology Staff Advisor](#).*
