

New Transfer Student Fall Enrollment Preparation Checklist

June/July

- My transcripts and test scores have been postmarked by July 1st so that my coursework posts in time for Fall enrollment.
- I logged in to the [VAC](#) and submitted required information in the New Triton Advising area.
- I [registered](#) for the Biological Sciences Online Transfer Info Session.
- I watched all videos in Biological Sciences Online Transfer Info Session.
- I noted the general Q&A session, in case I have general fall enrollment preparation questions.
- I registered for the Online Student Enrichment Opportunities Information Session.

July

- I logged on to [TritonLink](#)
 - To review my Academic History to ensure all UC transferable coursework is accurately posted to my record with a UCSD equivalent (if applicable)
 - To access and review my degree audit
- I familiarized myself with [WebReg](#).

August

- I logged on to [TritonLink](#) to find my first pass & second pass Fall quarter enrollment times.
- I reviewed fall course offerings in the [Schedule of Classes](#).
 - Seats being saved for incoming students will be visible starting August 10th.
- I logged in to the [VAC](#) to find my major course recommendations in the Contact Record section, provided no later than August 16th.
- I *enrolled* in 12 units minimally for full time status. This does not include waitlisted classes.

September

- I checked my @ucsd.edu email account for information regarding Biological Sciences Welcome Week events.
- I am prepared to start Fall quarter on September 22nd!
